To Whom It May Concern:

Per the request of Dr. Grant, I have recently pulled his Ohio application file.

After looking through the file, I can attest that between December 2002, and July 2003 there is no evidence of communication between the Federation of States Medical Board (FSMB) and the State Medical Board of Ohio (SMBO) in reference to Dr. Grant's application submitted to the FSMB for the USMLE Step 3 examination in December 2002. The State Medical Board of Ohio does not customarily verify eligibility, and it is the responsibility of the applicant to apply for Step 3 directly with the FSMB.

Please contact me if you have any other questions.
